Re: Requesting Email Address

The Wyoming Certified Real Estate Appraiser Board is requesting the email address from each appraiser licensed with the state of Wyoming. We are advancing with today's new technology and will now be corresponding with you through email. The cost of traditional ground mail/postage and printing are simply too high. The emails will included such information as the newsletters, USPAP course information, pertinent changes to the Rules and Regulations, disciplinary actions, upcoming events, frequently asked questions and answers, and renewal reminders.

It is your responsibility to provide us with your email address. Otherwise, you will not receive the valuable information. The Wyoming Certified Real Estate Appraiser Board office is requesting to receive your email address as soon as possible, but no later than January 1, 2009.

Thank you.
