

3500-P010 – Web ADA Compliance Policy

I. PURPOSE

The purpose of this policy is to define accessibility requirements for web sites and web applications in accordance with Section 508 of the Rehabilitation Act of 1973, commonly referred to as Americans with Disabilities Act (ADA).

II. SCOPE

This policy applies to all web sites and web applications of Executive Branch agencies, boards, and commissions.

III. POLICY

- A. Web developers shall take reasonable steps to accommodate ADA compliance for all web sites and web applications.
- B. Web sites and web application content must be reviewed at least annually using tools designed to evaluate ADA compliance.
- C. If the content of a web site or web application cannot comply with the ADA, then reasonable steps should be taken to provide content in an alternate format and the web site should contain instructions on how to obtain the content in that alternate format.
