

# State of Wyoming

## **9-1-222. State chief information officer; duties.**

(a) The governor is authorized to employ a state chief information officer. The chief information officer shall carry out the following duties:

(i) Develop a biennial information technology plan for the executive branch;

(ii) Implement and maintain an information technology governance program for the executive branch;

(iii) Establish review criteria for executive branch information technology projects and major purchases;

(iv) Develop and implement recommendations for the proper management of executive branch information technology resources;

(v) Review and make recommendations to the governor concerning information technology budget requests made by executive branch agencies;

(vi) Adopt technical information technology policies and standards and ensure agency compliance with the policies and standards;

(vii) Recommend information technology procurement improvements;

(viii) Develop and promote information technology training programs for all branches of government;

(ix) Encourage information technology coordination, information sharing and collaboration among all branches and levels of government in Wyoming;

(x) Enhance geographic information systems coordination among all governmental users of geographic information systems;

(xi) Carry out the duties prescribed by W.S. 9-2-2501 and 9-2-1026.2(k).

(b) The provisions of subsection (a) of this section shall be applied as follows:

(i) The University of Wyoming and Wyoming community colleges shall not be subject to the provisions of paragraphs (a)(i) through (vii) of this section;

(ii) The game and fish department and the department of transportation shall not be subject to paragraphs (a)(iii) and (iv) of this section;

(iii) State entities exempted from the provisions of subsection (a) of this section, and the judicial and legislative departments of state government may adhere to the standards, policies and plans developed pursuant to subsection (a) of this section to the extent feasible, as determined by the entity or the department of government, as applicable.
