UPDATES

The State of Wyoming continues its efforts to educate, engage, and empower members for another year. **Back To Basics** is the final program available for the premium discount for plan year 2012. More...

Back To Basics: August 2011
Back pain is an all-too-familiar problem ranging from a dull, constant ache to a sudden, sharp incapacitating pain. Back pain is considered to be one of the most common medical problems. It affects eight out of ten people at some point in their lives. During the month of August remember your back each day, sit correctly, lift properly, and perform a comfortable back stretch or strengthening exercise. More...

What is Healthier WY?

Healthier WY is a wellness program that is interactive, engaging, and promotes simple steps you can do in your daily life to stay well. This is a multi-faceted program in the ways it connects you: on-line, postal mail, e-mails, etc.

We hope to engage you in a variety of ways to maintain your attention on your health. This wellness program will also provide tools, incentives and rewards to engage you in your daily health and lifestyle choices.

Why participate?

For your overall personal health and well-being.

To save \$40 per month on your health insurance premiums.

Who can participate?

Participants in Wyoming State Employees' Group Insurance Health Plan, COBRA participants or retired employees who continue health insurance through the state plan.

Please note that dependents are NOT eligible for the program at this time.

What do I need to do?

To receive a \$40 per month wellness insurance premium discount, a total of \$480 for plan year 2013, the following three Healthier WY requirements must be completed no later than **September 30, 2012**.

1. Register at www.healthierwy.org and participate in at least three of the offered behavior change programs, adhere to the guidelines and record progress
2. Complete the Wyoming Health Fairs/Mayo Clinic Health Assessment online between **October 1, 2011 and September 30, 2012** and receive a separate \$50 incentive. Log on to: www.bewellembodyhealth.com
3. Receive an annual physical/wellness exam by a licensed healthcare provider between **October 1, 2011 through September 30, 2012**

ANNUAL PHYSICAL / WELLNESS EXAM

1. This patient has had a blood pressure measurement, height and weight measurement for body mass index (BMI), and a verbal confirmation of tobacco use status. Appropriate recommendations have been given if this patient has elevated health risks.

2. This patient has had a blood chemistry panel within the last five years. Appropriate health-promoting lifestyle modifications and pertinent recommendations have been given to this patient for glucose levels, LDL cholesterol, HDL cholesterol, total cholesterol, and triglycerides.

3. Important age and gender-specific preventive screenings have been completed, if needed, and recommendations have been given.

4. This patient has completed his or her annual wellness physical and is complying with my recommendations to treat any chronic condition(s) and improve health.

NOTE TO HEALTHCARE PROVIDER: The State of Wyoming continues its wellness program activities through its Healthier Wyoming website. As part of the program, patients are eligible for coverage for wellness services such as routine wellness physicals and routine diagnostic services for the exam such as urinalysis, routine blood work and EKGs. In addition to routine wellness physicals, wellness exams are also covered under the wellness benefit which includes a pre-approval each as well as a pre-approval diagnosis for work and a mammogram.

NOTE TO PATIENT: A range of codes that will typically pay the billed services as routine.
